Developing and Designing the Travel Blog

The travel blog has been formatted using HTML and styled using CSS and JavaScript.

This blog mainly talks about the travel experience in Mahabalipuram.

Sample Pictures:

Standing tall against the relentless waves of the Bay of Bengal, the Shore Temple is a magnificent testament to Pallava architecture. Built in the 7th century, this temple complex consists of three shrines, each dedicated to a different deity. The temple comes alive during sunrise and sunset, when the

                    <p>Nestled along the eastern coast of India,
Mahabalipuram, also known as Mamallapuram, is a destination that embodies
                        a unique blend of history, culture, and natural
beauty. This coastal town, located in the Tamil Nadu state, is
                        renowned for its UNESCO World Heritage Sites, rock-
cut temples, pristine beaches, and a vibrant arts and crafts scene.
                        Exploring Mahabalipuram is not just a journey
through time but also an immersion in the rich cultural tapestry of South
India.</p>

                    <p>Mahabalipuram's history dates back to the 7th century
when it was a bustling seaport of the Pallava dynasty.
                        The town takes its name from King Narasimhavarman I,
also known as Mahamalla (Great Wrestler). During his reign,
                        the iconic Shore Temple, a testament to Dravidian
architecture, was built along the Bay of Bengal.
                        This temple, along with the many other rock-cut
structures and cave temples in the town, stand as a testament
                        to the architectural and artistic prowess of that
era.</p>
